Math Meet

The Midreshet Shalhevet math team participated in the second round of the inter-school mathletes competition on Tuesday, November 17. The students received three sets of two questions, with 10 minutes to solve each set. They put their math skills to the test, and had a great time doing so! Seniors **Tamar Yastrab, Meira Nussbaum, Esti Eckstein, Yael Eiferman, Becky Marks, Avital Weinberg, Nechama Hersh, Dalia Zargari, and Bella Weiss**; juniors **Michal Beer, Avigail Borah, Zahava Fertig, Avigail Lev, and Aviva Chait**; and sophomore **Hayley Tanzman** are doing a great job so far this season!

Night Out on the Town

One of the most anticipated trips of the year is always Broadway Night, and this year's trip to see Aladdin did not disappoint! On Wednesday, November 18, the students, along with mechanechet, **Mrs. Andrea Schulman**, boarded the bus for a fun night in Manhattan. They were met in the city by **Mrs. Stacy Zeitz**, and watched the performance filled with spectacular music and dancing, which had the entire theater laughing. Aladdin exceeded everyone's expectations as we all enjoyed watching one of our favorite Disney movies come to life on a Broadway stage.

Big Sister/Little Sister Lunch and Learn

The freshmen and seniors of Midreshet Shalhevet joined on Thursday, November 19, for the annual Big Sister/Little Sister Lunch and Learn. The buddies enjoyed lunch while learning some pre-Thanksgiving Torah with **Rabbi Schneeweiss**. The students asked many questions and discussed different understandings of the text of *modim* from *shmoneh esrei*. Thank you so much Rabbi Schneeweiss and the administration for organizing this fun and meaningful bonding event.
