### Torah Bowl at Shalhevet

This past Wednesday, Shalhevet hosted the inter-school Torah Bowl competition, where teams answered questions on parshiot they studied. Each girl was given a parsha from sefer Berashit to study and were then asked questions on their parsha. So far we have won 8 Torah Bowl challenges! We can not wait to learn more Torah and prepare for our next competition. Special thanks to our amazing advisor, Morah Schulman, and to the whole torah bowl team for all of their hard work. Congratulations to all!

-Leah Feder and Hadassah Fertig, 9th Grade

### Mishenichnas Adar Marbim Bisimcha!

In honor of Rosh Chodesh Adar, the G.O. transformed the lunch room into a glow-in -the-dark rainbow room. With disco balls, glow sticks, and light up balloons, the room looked magnificent. The school was treated to a delicious breakfast from Bagel Town as well. The excitement of Adar continued throughout the day as the students were dressed up for "Rainbow day". More dress up days to follow! The girls also watched Annie in honor

of the upcoming school play. Delicious snacks were passed around as they screened the original Annie and sang along to the popular songs. We are all so excited to see the Shalhevet students perform Annie on stage in just a couple of weeks! Special thank to the members of G.O.; Sivan Davidov, Shoshana Waronker, Becky Marks, Esti Eckstein, Shaindy Greenberg, and Hayley Tanzman, as well as to Lori for all of her hard work in pulling off this amazing day!

The 7th Annual Mother-Daughter Dinner is this Monday night! We hope to see you all there. If you haven't yet RSVP'ed, please email Lori or Malky [atlfriedman@shalhevethsg.org](mailto:atlfriedman@shalhevethsg.org) or [mblisko@shalhevethsg.org](mailto:mblisko@shalhevethsg.org)

Check out this amazing video by the Shalhevet JUMP team encouraging all to not text and drive.
