

Aaron Tepfer, a'h

and even total strangers have transformed their grief into inspiration, undertaking a variety of initiatives in Aaron Shalom's memory that serve as an *aliyah* for his *neshamah* as well as impetuses for personal improvement. One of these projects is about to reach its culmination.

Yitzy Berko, now a seventh-grader, was a classmate of Aaron Shalom. One day he came up with an idea: What better way to perpetuate the memory and legacy of his friend, who loved to learn Torah, than with a *sefer Torah*? The Torah would be written as a *zechus* for Aaron Shalom and when completed would be housed in the *aron kodesh* of the junior high school, where it would be used by the boys in their *minyan* for many years to come.

In an emotional appeal to his fellow *talmidim*, Yitzy Berko explained: "Fifty years from now, in this *beis medrash*, a boy is going to ask his *rebbe*, 'When was this *sefer Torah* given?' The *rebbe* is going to say, 'The entire junior high school decided to raise [funds] for a *sefer Torah* in Aaron Shalom's *zechus*.'"

Doing some quick math, Yitzy realized that to reach his goal of raising \$54,000, all he needed was for 1,000 families to contribute an average of 54 dollars! The campaign, spearheaded by *Sgan Menahel* Rav Avrohom Bender, is nearly complete; the *sefer Torah* was written in *Eretz Yisrael*, and a *hachnasas sefer Torah* is planned for this Sunday, September 14.

The events will begin at the Tepfer home, 376 Rugby Road in Cedarhurst, 12:00-3:00 p.m., with the inscription of the final letters of the *sefer Torah*. At 3:40 the festivities will resume at 12-14 Heyson Road in Far Rockaway, for the *hachnasas sefer Torah* procession to the yeshiva.

### Shalhevet girls bonding with their “sisters”

how nice it was to get to know her “little sister” and was excited about becoming friends with many of the new students. The seniors and freshmen bonded tremendously and it was an excellent start to what promises to be a great school year! ❖
